23	1560 to 1610	**$8,000 Achievement Award** ($2,000 per year **renewable** for 4 years)

These scholarships are for freshman, non-resident U.S. citizens and international students, joining MSU for the Spring Semester 2016. { unlimited } - There is no cap on these great scholarships! { automatic } - If you get the scores, you get the scholarship; just send your official test scores along with your MSU application. { renewable } - If you maintain a cumulative 3.0 GPA or greater and maintain full-time, non-resident status and continuous enrollment, you can keep the scholarship for up to four years. Full time tuition cost is approximately US $21,000 per year.

Due to the College Board implementing a new SAT test on 3/5/16, MSU will NOT accept SAT scores for fall 2016 scholarship purposes from tests taken AFTER 1/23/16. Students may still take ACT tests throut the spring of 2016 if they hope to increase their Achievement Award.
