Subject: Congratulations on the International Symposium

Dear Associates,

Thank you very much for your invitation of me to the International Symposium for the 35th Anniversary of **Seattle Pacific University**. I think it is my great honor to be offered a precious opportunity to attend the big event.

I would like to extend my congratulations on your International Symposium, even though I cannot join it because of my tight schedule. I hope this event will be a satisfactory and successful one.

Yours sincerely,

Dr. Ik Jung Hwang
