General Program Information – Terms and Conditions

A.C.E. Language Institutes: Intensive English Program

1. Enrollment

New students must submit: 1) A completed A.C.E. application form; 2) Non-refundable application fee; 3) Proof of financial certification (see # 2); and 4) Copy of student's passport. Continuing students complete the Enrollment Agreement at the end of each session.

2. Financial Certification

The U.S. government requires that students have sufficient financial resources to meet school and living costs while in the U.S. The student, parents, or sponsor must provide a current bank statement or an official letter from a bank verifying sufficient funds (about \$3,000 per month).

3. Acceptance

When you have been accepted, we will send you a Welcome Packet with your acceptance letter, an I-20 form (if needed), and information about the school, USA, travel, health insurance and billing. Students then apply at the nearest U.S. consulate or embassy for an F-1 student visa.

4. Age Requirement

Only students 17 or older may enroll in courses. Those ages 15-16 may be eligible on a case-by-case basis.

5. Housing

Depending on the location, A.C.E. can assist in arranging housing with an American host family, or in a campus dormitory. Please return the complete Housing Form and the housing placement fee to A.C.E. at least a month before arrival. Students may also make their own arrangements. Students are responsible for all damages or other charges incurred at their home.

6. Placement Testing

After arrival, students take a test to determine their level of study. Instructors may sometimes recommend changes in level placement during the first week of the course. Students who arrange for individual testing may be charged a fee.

7. Administrative Time

Within each session approximately three days are related to registration, orientation, placement testing, student evaluation, or program ceremonies.

8. Course Changes

A.C.E. reserves the right to cancel courses on short notice due to insufficient enrollment. If this happens, students will be offered a substitute course of the same length, sometimes in combination with other levels of study.

9. Student Attendance

Students must attend classes full time. Students who attend less than 80% of classes may fail a level and/or endanger their visa status. Excessive lateness is not acceptable. Teachers will explain the attendance policy at the beginning of each session.

10. Certificate and Grades

Students who successfully complete course requirements will receive a course certificate. Upon request students can also receive a transcript of grades at the end of their course of study. Students who successfully complete level 6 or level 7 (at MSU) will receive a Certificate of Graduation and full recommendation to university study. At MSU level 6 prepares students for undergraduate studies and level 7 prepares students for graduate studies. Students who wish to review their files may do so by scheduling an appointment with the program director. Student records are maintained as confidential according to the release of information waiver on the application form.

11. Behavioral Expectations and Program Advancement

Students enrolled in the program must follow A.C.E. and campus rules. Students must maintain an 80% attendance record and must maintain good academic progress by passing each level within two attempts. Violations of attendance, academic, or discrimination and harassment policies will lead to corrective action, which may include probation, suspension or dismissal. In the case of dismissal, no refunds are given (see # 14). Students who resolve probationary violations by the end of the following two sessions will be removed from probationary status.

12. Payment

The required \$100 program application fee is due with the completed application form. Course tuition and all other fees are due on or before the first day of each session. Students may pay by personal check, travelers' check, bank wire transfer, credit card (MasterCard or Visa only). All checks should be made payable to the A.C.E. Language Institute. Students who pay late may incur a late fee. Students who arrive late may also incur a late fee. Any checks that bounce will also incur a \$20 fee.

13. Cancellation and Refund

"Cancellation" means informing A.C.E. in writing before the first day of classes of a given prepaid session that the student will not attend. No refunds are offered after the session has started. There is a \$250 cancellation fee applied for all cancellations regardless of the number of prepaid sessions. However, all sessions' tuition and refundable charges will be refunded if cancelled before the start of the session. Students must submit a completed Cancellation and Refund Form to A.C.E. No refunds are issued if a student is dismissed for disciplinary reasons. No refunds are issued for application or housing placement fees. Portions of requested refunds may be issued to agency organizations that the student selected. Refunds can also be applied to tuition and fees in future sessions by student request. Should there be any change to the cancellation and refund policy, the policy that was in place at the time of the student's prepayment shall be maintained until the end of the prepaid term.

14. Withdrawal from the Course

"Withdrawal" means to stop taking classes after the session has begun. Given the length of the A.C.E. session, no refunds are issued for the current session once classes have begun. If a student has prepaid for future sessions, a refund will be issued in accordance with the Cancellation and Refund Policy stated in item #14 of the General Program Information. Students who experience a family emergency and must return home on short notice may request special consideration from the program director.

15. Program Changes

Fees may be incurred for a change in program after the start date of a given session. A program change includes changes between intensive and Flex (at SPU) and/or a change between full-time and part-time study.

16. Health Insurance

All students must have health insurance. Students may purchase insurance in their country and bring proof of policy with them. Students who arrive without proof of health insurance valid in the U.S. are required to purchase it from an A.C.E. provider.

17. Dignity Statement

A.C.E. seeks to provide a learning environment in which all individuals can achieve success. With equality as our guiding principle, discrimination and harassment by any employee, student, visitor, or agent of A.C.E. will not be tolerated in any form. Discrimination consists of prejudicial actions or statements based on another's race, ethnic background, age, religion, gender or sexual orientation. Violations of this policy will lead to corrective discipline, which may include suspension and/or dismissal and termination of SEVIS record.

18. Complaint Procedures

If a student has a problem with classes, housing policies or fees, he or she should speak first with the A.C.E. staff who is responsible for that area. If the problem is still not resolved, the student may speak with the program director or organizational executive. Contact information is available at the program center. If the problem is still not resolved the student may begin formal written complaint procedures.

19. Limited Liability

Neither A.C.E. nor its representatives will be liable in any way to the student in cases where A.C.E. is unable to fulfill any services to which they are bound by contract because of labor disputes, weather conditions, or other cause outside the control of A.C.E. Neither will A.C.E. be liable for damage, loss, illness, or injury to person or property regardless of cause, except in cases where liability is legally required.

20. Vacation Policy

Students can take a sanctioned 3 month vacation (in the US) after 9 consecutive months of study. If a student takes a vacation out of the US the 9 month accrual will start over upon their return to the US. If a student goes home during normal breaks between sessions then vacation time is not impacted.

The A.C.E. Mission:
