

# A.C.E. WORLD LANGUAGE PROGRAMS

## Chinese Summer Day Camp - 2008

At A.C.E.'s Chinese Summer Day Camp, language learning is fun! Our program combines in-class activities with educational events and field trips. In the classroom children learn a new language through:

**games      physical activities      crafts      songs      cultural projects**

Children's language videos and computer programs round out the in-class offerings.

Each week of the Chinese Summer Day Camp focuses on a specific theme. Children take what they learn in the classroom out into the world around them on guided field trips and educational outings to nearby parks, museums or recreational sites.
